

New Natural Beauty Brand Pristine Beauty Wins Editors Pick Award for their Deodorant Take A Whiff!

By Pristine Beauty

Dated: Sep 03, 2009

After only a year on the market Pristine Beauty is showing quite a bit of promise. They believe that "Natural Beauty Is Our Duty and that effective natural beauty products need not have a medicinal look. Pristine Beauty's line is very girly and GLAM!

Blaire Kessler's Pristine Beauty line, based in Raleigh, continues to rack up kudos as well as new store outlets.

Her Take A Whiff natural deodorant has been chosen as an Editor's Pick in the deodorant category of Natural Solutions magazine, which annually gives beauty products "Beauty with a Conscience" awards.

Kessler's aluminum-free deodorant was touted by the magazine's editor because it was free of excessive chemicals and harmful toxins and it WORKS!!!! The product will be recognized in the magazine's October issue to coincide with breast cancer awareness month.

Look for Take A Whiff and the rest of the chemical-free products in the Pristine Beauty line at select Whole Foods, speciality shops across the country and of course their website www.shoppristinebeauty.com
